

20TH MARCH 2026

We have had five ducklings hatch over the past two days. Welcome to The Heights; Sir Quacks A Lot, Mr Gazey, Tommy, Donald J Trump and Coconut. The pupils have really enjoyed having them and holding them.

DATES FOR YOUR DIARY

Monday 23rd March - Staff training, pupils finish at 1pm.

Friday 27th March - End of term.

Monday 13th April - Pupils return to school.

FOOTBALL WIN!

On Thursday our Heights football team played a fantastic tournament at AVFC Brookvale. The team played some great football winning the first game 3-0 with goals from Noah, Alfie and Thomas, the next game 1-1 with a goal from Thomas and our final group game 1-1 with a really important goal from Alfie. We therefore qualified for the semi-finals where we put on a fantastic 3-0 performance with goals from Jake, Darcey and Thomas with Jack coming on to hold up play brilliantly. By winning this game we advanced to our first ever final! This was by far our toughest game and without amazing defending and brave tackles from Darcey, Jake, Alfie and another huge performance from Teddy in goal, we may have conceded. We continued to battle until the final whistle meaning that the game finished 0-0 and penalties were needed to find a winning team. Our year 9 players stood up and all took a penalty with Alfie scoring the winning penalty! Cue the wild celebrations and our first winners trophy! Well done to all our team for their amazing effort, communication and determination!

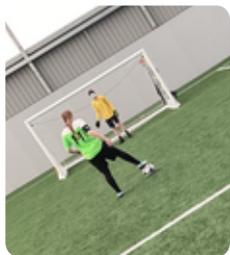

Above and Beyond

Well done to Bonnie, Joe, Zachary, Liam, Henry, Lexi, Samuel, Noah, Louie, Will, Tom L, Theo R, Dylan and Grace for achieving Above and Beyond this week!

Their treat was pick n mix with Miss Johnson, Ms Smith and Miss Bailey.

Well done everyone!

Thank you for all your donations for Red Nose Day - We have currently raised £52. Donations can still be made via the link on Class DOJO.

SCIENCE

KS2 Adventurers loving dissecting a lamb heart as part of our Science topic - The Circulatory System. Pupils were able to locate the four chambers and name the very important veins and arteries that transport blood to and from the heart.
