

8TH MAY 2026

Some more great learning in Explorers this week. We have made old school cake, used colourful semantics to support sentence structure and used numicon to support times table fluency. Aston villa have made it to a European cup final watched by our future king which led to some great discussions this morning.

Over the next few weeks, we will be sending out transition information ready for September. We understand that transition can be tricky for some pupils so this work will begin sooner rather than later.

We will also be sending out information regarding end of term trips and summer activities that will be happening before we break up in July!

YEAR 6 SATS

We would like to wish all of our Year 6 pupils the very best of luck for next week as they sit their SATs. You have all worked incredibly hard, shown great determination, and should be very proud of everything you have achieved already.

Remember to stay positive, try your best, and believe in yourselves. Most importantly, get plenty of rest and a good breakfast each morning!

We are all proud of you and know you will do brilliantly.

Good luck, Liam, Henry, Tommy, Isabelle, Leighton, Gabriella, Lexi and Elliot!
